ABOUT ME

Passionate and detail-oriented Network Engineer with a strong foundation in designing, implementing, and maintaining secure and efficient network infrastructures. Skilled in troubleshooting network issues, optimizing performance, and ensuring seamless connectivity. Experienced in working with routers, switches, firewalls, and cloud networking solutions. Adept at collaborating with cross-functional teams to enhance network security and scalability. Eager to leverage technical expertise and problem-solving skills to contribute to dynamic IT environments.

EDUCATION

B.TECH

Qis College Of Engineering And Technology

2021-2024

INTERMEDIATE

Sri Chaitanya Junior College

2018-2020

SKILL

- Basic Networking (TCP/IP, DNS, DHCP, VLANs)
- Routing & Switching (Static & Dynamic Routing, STP)
- Network Security Fundamentals (Firewalls, VPNs)
- Troubleshooting & Performance Optimization
- Cloud Networking Basics (AWS, Azure)
- Strong Analytical & Problem-Solving Skills

PROJECTS

NOTES APP

Technologies Used: HTML, CSS, JavaScript, Local Storage

Description:

Developed a dynamic and user-friendly notes application that allows users to create, edit, save, and delete notes. Implemented local storage to retain notes even after page reloads. Designed a responsive and visually appealing UI using CSS.

Key Features:

- Create, edit, and delete notes
- Data persistence using Local Storage
- Responsive design for mobile and desktop
- Intuitive user interface with smooth UI interactions

Meal Finder App

Technologies Used: HTML, CSS, JavaScript, API (TheMealDB)

Description:

Developed a Meal Finder application that helps users search for recipes by ingredient or meal name. Integrated TheMealDB API to fetch and display meal details, including ingredients, instructions, and images. Designed a clean and responsive user interface for an enhanced user experience.

Key Features:

- Search meals by name or ingredient
- Fetch meal details using TheMealDB API
- Display ingredients, instructions, and images
- Responsive design for mobile and desktop
- User-friendly and interactive interface
